THE HOOK OF FAITH

'Love Means More' is a resource on the Gospel's teaching on love and human sexuality prepared by the American Bishops Conference that is very timely and useful in the light of St Valentine's Day. The homily for this Sixth Sunday of Ordinary Time is on St Luke's version of the Beatitudes. We have an article on the significance of the feast of St Peter's Chair that is celebrated on Saturday 22nd February and include the latest research paper from the Iona Institute on how families of faith will save a civilization facing a demographic winter. We also include a new podcast and video series called 'The Desert Fathers in a Year' with Bishop Eric Varden and produced by Exodus 90. Finally, a video message from Bishop Michael Router that was posted to mark 'World Day of the Sick'. Check out these and other resources available at www.thehookoffaith.com
