BLESSING OF GRAVES

With the continued Covid restrictions there will be no Patron this year. During the week Bishop Denis, Fr Paddy, Fr. Jim and Deacon Dermot visited St Mary's and Enniscorthy Cemetery where they blessed the graves.

**Eternal rest grant unto them, O Lord,
and let perpetual light shine upon them.
May they rest in peace. Amen**

Note: The parish will issue an update about dates, times and formats early next week.

Statement regarding First Communions and Confirmations in Ferns Diocese.

The diocese of Ferns recognises the very important place that the sacraments of First Communion and Confirmation hold in the lives of our young people, their families, teachers and parishes.

The diocese wishes to assist parishes as they discern their current state of preparedness for safe celebration, as public discussion continues.

Priests are asked to recommence the conversation with those involved - most especially with parents and teachers - with a view to deciding what is best in terms of safety, unity and overall wellbeing.

Where a church community is of the view that it wishes to proceed, the priest is asked to forward a request - with an agreed and demonstrably COVID safe plan - to Bishop's House for consideration.

Parishes are asked to proceed in a well-considered manner and to continue to avoid risk or division.

Unity and safety within a parish are vital in this matter - as is a recognition of the articulated anxiety among some - of an apparent relegation of religious practice and worship, within official overall political decision making, as communicated to date.

The diocese wishes to place on record its genuine appreciation to all within parishes - volunteers at churches, school staff and principals, the worshipping community generally and its faith leaders - for the monumental work they have undertaken to date, the guidance they have given and the standard of leadership they daily give - cross generationally - throughout the diocese.

The diocese also records afresh its gratitude and admiration to all who have worked so diligently and courageously at the front line since the beginning of the pandemic.

THE HOOK OF FAITH

John Lennon's famous song 'Imagine' was played at the opening ceremony of the Tokyo Olympics. But are the lyrics appropriate? Does the vision they describe really have the power to unite humanity? Bishop Robert Barron investigates. The homily for this Nineteenth Sunday of Ordinary Time is given by Fr Lar O'Connor where Jesus teaches that the Eucharist is his flesh given for the

life of the world. Bishop Barron gives a talk on the real presence of Christ in the Eucharist to explore what this means. We have the usual newsletter insert and the ninth part in the series 'A New Irish Catholicism'. We highlight the heroic witness of Edith Stein or St Teresa Benedicta of the Cross and St Maximilian Kolbe, both who died during World War II.
