THE HOOK OF FAITH

On the first week of Bishop Ger Nash's ministry as bishop of Ferns, we have the full video of his ordination ceremony including the homily at the Mass. The Gospel for this Twenty-Fourth Sunday of Ordinary Time is where Jesus asks us to take responsibility of who we think he is. We have the usual

newsletter insert and words from Archbishop Dermot Farrell on the occasion of the Centenary of the foundation of the Legion of Mary. We look closer on the findings of a recent report on the welfare of Irish prisoners abroad and discover how young people are now being bullied at school because of their faith. Finally, we feature an article for the Feast of the Exaltation of the Cross on 14th September. Check out these and other resources available at www.thehookoffaith.com

+ Denis Brennan

I know that I speak for the entire Shannon - the older side of town as he'd say himself - when I wish Bishop Denis Brennan many happy years in retirement.

Looking back now - with the benefit of hindsight - he really did steady the ship. It was a huge responsibility, but Bishop Denis fulfilled it with profound dignity.

Quietly - without fuss or fanfare - he made flesh in our midst the words of the prophet Micah;

"act justly, love tenderly and walk humbly with your God." Micah 6:8

In extremely difficult circumstances God provided us all with a true shepherd.

May God now grant Bishop Denis many happy and care-free years of retirement.

Fr. Paddy.
