THE HOOK OF FAITH

The voice of Andrea Bocelli is one of the most recognised and popular around the world. In a video interview, he talks about the importance of his faith that inspires the lyrics and music he composes. The homily for the Twenty-Fifth Sunday of Ordinary Time focuses on our call to become child-like before God but not childish. We have the usual newsletter insert and reflect on the lives of both St Matthew and St Pio whose feast days we celebrate this week. Finally, we have more articles and resources to use as we make our way through the 'Season of Creation'. Check out these and other resources available at www.thehookoffaith.com
