THE HOOK OF FAITH

It's Easter once again and with renewed conviction and hope we join with the whole Church to proclaim that Christ is risen and that God's love is the greatest power in the world. We include inspirational quotes from the saints on the mystery of the cross as a symbol of love. We have a meditation on the Lord's Supper by Scripture scholar Scott Hahn and a homily for Easter Sunday. Included is an article on the close proximity of cross and resurrection as mysteries that interpenetrate our lives. 'A Spirituality for our Times' is a one day conference organised by the Sisters of St John of God that takes place in Ballyvaloo, Blackwater on

"Why are you afraid"?

"Why are you afraid? Have you no faith"? Faith begins when we realise we are in need of salvation. We are not self-sufficient; by ourselves we founder: we need the Lord, like ancient navigators needed the stars. Let us invite Jesus into the boats of our lives. Let us hand over our fears to him so that he can conquer them. Like the disciples, we will experience that with him on board there will be no shipwreck. Because this is God's strength: turning to the good everything that happens to us, even the bad things. He brings serenity into our storms, because with God life never dies.
