We need 18 people to commit to be present for 30 minutes. If people commit to 60 minutes obviously that will reduce the number of people required to ensure there's always at least one person present. If you can help, please enter your name or initials on the time-sheet placed at the back of the church (old part); each time-slot is a 30 minute commitment.

## **PARISH CHOIR CD**

## **THE HOOK OF FAITH**

The Feast of the Lord's Ascension is also 'World  
Communications Day'. We have Pope Francis' message  
where he talks about the importance of listening with the  
ears of the heart. We have a homily for this Sunday and  
the usual newsletter insert. In these weeks when a  
Catholic ethos in schools and hospitals is being attacked  
as something harmful and dangerous, we explore  
precisely what is a 'Catholic ethos'. We celebrate the

fourth anniversary of the Hook of Faith and conclude the Novena of Prayer for Life. Finally, in our video  
this week, Bishop Robert Barron reflects on how Christ wants to come into our lives in a deeper way. Do we  
have the courage to let him in? Check out these and other resources available at [www.thehookoffaith.com](http://www.thehookoffaith.com)
