## **THE HOOK OF FAITH**

This Sunday marks the sixth 'World Day of the Poor' whose theme is 'For your sake, Christ became poor'. We have a homily, the newsletter insert and Pope Francis' message for the day. Our interview this week is with Sean O'Leary who talks about '*Enlarge the Space of your Tent*' – the working document for the Continental stage of the Synodal process. An article celebrates 'Science Week' and the feast day of St Albert the Great on 15<sup>th</sup> November. There is a tribute to the work of prison chaplains and the submission of the Irish Bishops to the HSE on the review of Ireland's abortion laws. Finally, a video interview with Bishop Robert Barron on 'Religion, Politics and Intolerance'. Check out these and other resources available at [www.thehookoffaith.com](http://www.thehookoffaith.com)

St. Senans Choir are very excited, our recently recorded CD is now available to buy. We enjoyed recording our favourite hymns and songs with the expert help and patience of Ivan Levingstone, Sound Engineer.

We were very lucky to raise the full cost of production through the generosity of so many so thank you.

**CDs are €10 each and available from the Parish Office or Choir members, all money raised will go directly to Parish Funds.**
