THE HOOK OF FAITH

We enter into Holy Week with a homily for Palm Sunday and a reflection on the Easter Triduum. We continue to reflect prayerfully on Jesus's 'Seven Last Words' that contain so much poignancy and meaning. At a time of greater global uncertainty, the Pope's intention for April is timely as he prays for 'the spread of peace and non-violence' – virtues that Jesus exemplified during his passion. We continue with the series 'The Creed in Slow Motion' that unpacks

the articles of the creed and their spiritual power. Finally, in the light of massive job lay offs from Big-Tech companies and our increasing dependence on technology, should we be concerned about our domination by science which in turn aims to dominate nature? Check out these and other resources available at www.thehookoffaith.com
