THE HOOK OF FAITH

'Well-Being' is a word that we hear more today and a concept that shapes education programmes in our schools and other institutions. But what does it mean? The newsletter insert offers a Catholic definition of the term. We have the webinar from Mgr. Stephen Rossetti's input on priesthood based on his new book 'Priesthood in a Time of Crisis'. We offer a homily for the Sixth Sunday of Easter that contemplates Jesus' farewell words at the Last Supper. We continue a video series that helps young believers discern what true love looks like. Bishop Robert Barron outlines five animating principles of the new evangelisation and finally, a few words of appreciation and a prayer as 'The Hook of Faith' celebrates its fifth birthday on 18th May. Check out these and other resources available at www.thehookoffaith.com
