THE HOOK OF FAITH

'World Refugee Day' was marked in Ireland on 20th June. We have the bishops' statement that offers light on a very relevant issue today. The homily for the Twelfth Sunday of Ordinary Time calls for courage in the light of Jesus' urging his disciples three times in the Sunday Gospel 'Do not be Afraid'. We have the working document for the First Session of the General Assembly of the Synod of Bishops in Rome in October this year. Sean Byrne reflects on how good came from a recent tragedy and how a recent report revealed that Irish people are the loneliest in the EU. A podcast explores where modern men are looking for spiritual wisdom and finally, we feature the story of Trent Horn – a young man who has become one of America's leading apologists for the faith today. Check out these and other resources available at www.thehookoffaith.com
