### PARKING IN THE CHURCH GROUNDS

As a result of the chaotic parking last weekend in the Church yard and the in-ability to access all the free parking in the centre/bottom on the yard during the 11am Mass, we have been forced to address the issue.

The spaces will be remarked which should help, and we would ask people to be aware when parking, particularly in the centre, that they park in the box so that there is access up and down.

However, there seems to be another issue at the weekends when people are parking overnight following a night out and unfortunately not in designated parking spaces leading to limited accessibility to the car park.

We would just remind people to be considerate when parking.

## THE HOOK OF FAITH

Many young people are walking away from belief today because a perceived clash between faith and science. But are they incompatible? The first of a two-part series investigates. We have a homily for the Thirteenth Sunday of Ordinary where Jesus shocks his listeners with his demands of loyalty to him. The Pope's prayer intention for July is that Catholics place the celebration of the Eucharist at the heart of their lives. 'Poetry, Beauty and the Shock of Grace' is a wonderful video talk by Irish Dominican Fr Paul Murray. Finally, we have articles for the feast days of both St

Thomas and St Maria Goretti. Check out these and other resources available at [www.thehookoffaith.com](http://www.thehookoffaith.com)

May the quiet fire of God's love  
arise within you.  
May its flames of joy and peace  
Enlighten your steps in this world,  
And may you be like the burning bush,  
The presence of God for each other,  
That holy healing light of love,  
The breath of God made manifest  
In you.
