THE HOOK OF FAITH

“His mercy is from age to age” (Lk 1:50) is the theme of the Third World Day for Grandparents and the Elderly which takes place this Sunday 23rd July. We have Pope Francis’ message which encourages every person and society to honour its elderly citizens. The newsletter insert is a reflection on the parable of the Sower and the Homily for this Sixteenth Sunday of Ordinary Time is on the parable of the dandelion and the wheat. We have an article on how to recover a sense of awe and wonder in order to renew faith and news of a one-day retreat on 4th August on the Care of Creation. At a time when there is movement to re-define the family, there is evidence of social trends that are going in the wrong direction. Finally, a video interview from Word on Fire on knowing Jesus personally. Check out these and other resources available at www.thehookoffaith.com
