One Year On

This week marks one year on from the formation of the Enniscorthy Pastoral Area.

This year has seen many changes and challenges. Like St. Peter in this weekend's gospel we have had to step out of the boat and embrace a different model of church and parish. It has taken a great deal of courage to do so and at times we may have floundered or felt like we were sinking or walking on water. We have all embraced this new reality and challenges together as a community and as people of faith.

We would like to take this opportunity to thank all parish staff, committees, and parish groups, to our volunteers, to those in our schools and many organisations and to all those who have taken on new roles and responsibilities, to all parishioners and to each and every one of you for your prayers and continued support.

We look forward to continuing this journey together walking in faith, hope and love.

Pastoral Area Clergy.

Prayer for good weather

Bishop Ger has expressed his support and compassion for those in the farming community who are experiencing difficulties because of the recent spell of poor weather.

He asks everyone in the Diocese of Ferns to join with him in praying for favourable weather and also in praying for all whose work or livelihoods depend on the weather conditions.

***“God our loving Father,
we know that you care deeply for us.
We ask you to bless us with the good weather we so
badly need at this time.
Bless the work and efforts of all your people so that
their endeavours may produce the results they need.
Grant success to the work of our hands.
We make this prayer through Christ our Lord, Amen.”***
