Prayer for good weather

Bishop Ger has expressed his support and compassion for those in the farming community who are experiencing difficulties because of the recent spell of poor weather.

***“God our loving Father,
we know that you care deeply for us.
We ask you to bless us with the good weather we so
badly need at this time.
Bless the work and efforts of all your people so that
their endeavours may produce the results they need.
Grant success to the work of our hands.
We make this prayer through Christ our Lord, Amen.”***

THE HOOK OF FAITH

George O'Connor was one of the finest hurlers Wexford ever produced. In this week's interview, he talks about success, failure, mental health and the importance of faith.

We have a homily for the Twentieth Sunday of Ordinary Time where Jesus expands his own circle of followers to show how his saving love is meant for all and not just some. We have articles by Sean Byrne, Sean O'Leary and a video talk by Bishop Robert Barron from World Youth Day. We have another video interview on why thinking about our own death is a good thing and a talk by an expert on catechesis in contemporary society. Finally, a series of inspiring thoughts from the pen of Gorey's Michael Dwyer. Check out these and other resources available at www.thehookoffaith.com
