THE HOOK OF FAITH

The 'Synod on Synodality' has just ended in Rome. We post the summary synthesis along with an article and video interview with one of the key organisers. We have a homily for the Thirty-Second Sunday of Ordinary Time which focuses on hope and the recording of a presentation by Dr Patrick Kenny on the life of Fr Willie Doyle SJ and how he can inspire priests today. We have inputs on two major cultural issues today - David Quinn has an article on false views on gender while William Binchy gives his input to the Oireachtas hearing on Euthanasia. As Science Week begins, we have an article on St Albert the Great who valued both faith and science as sources of truth. Finally, we have a report from 'Aid to the Church in Need' on the desperate plight of the people of Gaza and how Christians are managing to keep hope alive. Check out these and other resources available at www.thehookoffaith.com

Pope Francis Prayer for Peace (shortened)

Mary, how many times have you come, urging prayer and repentance.

Yet, caught up in our own needs and distracted by the things of this world, we have turned a deaf ear to your appeal.

Yet, in your love for us, you never abandon us.

Lead us by the hand and bring us to conversion; help us once again to put God first.

Make us realize once more the importance of the role we play; strengthen our sense of responsibility for the cause of peace as men and women called to pray, worship, intercede and make reparation for the whole human race.

Mother of God and our Mother, we come before you and we seek refuge in your Immaculate Heart.

Mother of mercy, we appeal for mercy!

Queen of Peace, we appeal for peace!

Touch the hearts of those imprisoned by hatred; convert those who fuel and foment conflict.

To you we entrust and consecrate our world, to you we consecrate especially those countries and regions at war.

Your faithful people call you the dawn of salvation; Mother, grant that glimmers of light may illumine the dark night of conflict.

Dwelling-place of the Holy Spirit, inspire the leaders of nations to seek paths of peace.

Queen of all peoples, reconcile your children, seduced by evil, blinded by power and hate.

Mother, Queen of Peace, pour forth into our hearts God's gift of harmony. Amen.
