THE HOOK OF FAITH

The late Fr Tony Scallan was a priest of the diocese of Ferns who was a great advocate of the dignity of people with disabilities and their right to work. We share a special documentary on his life thanks to our friends in CMT. The homily for the Thirtieth Sunday of Ordinary Time comments on Jesus' great commandment to love God and our neighbour as ourselves. We include a letter from Pope Francis to mark the 150th anniversary of the birth of St Therese of Lisieux. We explore what the witness

of St Charles Borromeo might teach us about the synodal pathway as we celebrate his feast day on 4th November. We feature new research on the link between social media use and mental health. Finally, as the Opera Festival begins in Wexford, we have an article that compares Christian spirituality to harmonious music. Check out these and other resources available at www.thehookoffaith.com
