### **Pope Francis Prayer for Peace (shortened)**

Mary, how many times have you come, urging prayer and repentance.

Yet, caught up in our own needs and distracted by the things of this world, we have turned a deaf ear to your appeal.

Yet, in your love for us, you never abandon us.

Lead us by the hand and bring us to conversion; help us once again to put God first.

Make us realize once more the importance of the role we play; strengthen our sense of responsibility for the cause of peace as men and women called to pray, worship, intercede and make reparation for the whole human race.

Mother of God and our Mother, we come before you and we seek refuge in your Immaculate Heart.

Mother of mercy, we appeal for mercy!

Queen of Peace, we appeal for peace!

Touch the hearts of those imprisoned by hatred; convert those who fuel and foment conflict.

To you we entrust and consecrate our world, to you we consecrate especially those countries and regions at war.

Your faithful people call you the dawn of salvation; Mother, grant that glimmers of light may illumine the dark night of conflict.

Dwelling-place of the Holy Spirit, inspire the leaders of nations to seek paths of peace.

Queen of all peoples, reconcile your children, seduced by evil, blinded by power and hate.

Mother, Queen of Peace, pour forth into our hearts God's gift of harmony. Amen.

### **SHAMROCKS PENNY BANK**

### **THE HOOK OF FAITH**

As we mark the 60<sup>th</sup> anniversary of the death of President Kennedy, we have the second part of an article that reflects on the role of his Catholic faith on his life and vision. We offer a homily and newsletter insert for the Feast of Christ the King based on the Gospel of the final judgment in Matthew's Gospel where Jesus identifies himself with "the least of these brothers and sisters." The third of the trilogy of zoom recordings on 'Taking the Risk for Christ' is included with a seminarian from St Patrick's College Maynooth and Fr Tomas Sulis, Rector of the seminary. We also report on a successful Vocations 'Come and See' weekend that took place last week. 'Catholics in a Woke World' is a recording of a recent conference in Dublin on how we can navigate a culture increasingly hostile to alternative viewpoints. Finally, more inputs on the debate on Assisted Dying. Check out these and other resources available at [www.thehookoffaith.com](http://www.thehookoffaith.com)
