Repair Cafe

Sustainable Enniscorthy will host their third Enniscorthy Repair Cafe on Wednesday 6 March from 6.30-8.30pm at the

Riverside Park Hotel & Leisure Club. Bring your broken items and learn how to fix them. Or bring your repair skills and show people how to repair their broken items. At the Enniscorthy Repair Cafe, we believe in reducing waste and promoting sustainability. By repairing instead of replacing, we help you save money and contribute to a greener planet. It's a great opportunity to learn new skills, meet like-minded individuals, and share your knowledge with others. Book your place at <https://www.eventbrite.ie/e/enniscorthy-repair-cafe-march-2024-tickets-815959415577>

Third Sunday of Lent

In Malawi, longer and more severe droughts in recent years have dried up small streams and water holes.

Unfortunately, some areas are also affected by cyclones and flooding.

When this happens, the simple mud houses are badly damaged. The water that falls is not suitable for drinking or farming but causes a huge amount of destruction. Trócaire is working with local partners to help communities to rebuild after these events and to be better prepared for the future. To learn more, go to: <https://www.trocaire.org/our-work/working-in-ireland/parishes/>

Parishes are asked to expand their circles of solidarity, to protect and care for biodiversity and creation on 30 per cent of their grounds, and to care for this as a haven for pollinators and biodiversity, that can be enjoyed by the whole community.' (Irish Bishops' Conference, Spring Statement 2023) 'Lord, you have words of everlasting life.' (Psalm 19:8)
