To all who support our parish by your presence and your contributions. It is all very much appreciated.

Easter brings hope that good triumphs over evil and light can overcome darkness.

May you all experience the love and peace of Christ this Easter.

Christ has Risen indeed Alleluia, Alleluia!!!

THE HOOK OF FAITH

'He is Risen!' is the message of hope and joy that we proclaim to all on this Easter Sunday. It means that God's love has been unleashed again and remains the most powerful force in the world, a power and presence that is accessible to all. We have a homily for Easter Sunday and offer Easter greetings to all our followers. 'For the Role of Women' is the theme of Pope Francis' Prayer Intention for April and we include Bishop Ger's homily at the Chrism Mass. We have comment and analysis on the recently released Report on Assisted Suicide and a recent report on why there is a mental health crisis appearing in Western culture. We also include dialogue between Bishop Robert Barron and Jordan Peterson who discuss the

topic of truth. We have an article on the resurrection and how the evidence of what happened resists any reduction of its power and effect. Check out these and other resources available at www.thehookoffaith.com.
