THE HOOK OF FAITH

'Artificial Intelligence and the Wisdom of the Heart' is the title of Pope Francis' message for the 58th World Day of Social Communications. We have a homily for the feast of the Lord's Ascension and the usual choice of newsletter inserts. We have a prayer and message for road safety and the homily given by Bishop Kevin Doran before last Monday's March for Life. Sean O'Leary offers a few thoughts on our shared destiny as a synodal Church and we have an article on how Ireland needs new Catholic politicians. Tony Foy, founder of NET Ministries gives an excellent interview on 'Re-Evangelising Ireland' and another article highlights the dignity of people with disabilities. Finally, Caoimhe de Barra speaks on the unfolding famine in Gaza and Colm Flynn reflects on 'Infinite Dignity' – the latest document from the Congregation for the Doctrine of the Faith. Check out these and other resources available at www.thehookoffaith.com
