MARYS MEALS

Mary's Meals is serving nutritious daily meals to children in Malawi, Mozambique, Zambia and Zimbabwe. A donation to Mary's Meals of any amount will help us reach more children waiting for our daily meals in their place of education.

If you're not in a position to donate financially, please take a few minutes to tell someone about our work, follow us on social media and share our posts to help spread the word. We also value prayer as another means of support from those who feel drawn to do so.

Visit our [Emergency in Southern Africa](#) webpage to read more about how drought and food insecurity is leading to hunger and malnutrition in children in Southern Africa.

THE HOOK OF FAITH

This weekend celebrates the Jubilee for deacons and to mark it we meet with Mr. Fintan Fanning who is due to be ordained a deacon for the diocese of Ferns later this year. We also include more information about who a deacon is, what he does and how he is called to serve. The homily for the Seventh Sunday of Ordinary Time continues to unpack Jesus' radical teaching on the higher standard of love he has come to reveal. We include excellent SPHE guides for Christian parents and a video interview that explains true Christian feminism. We have a video on hope from the Irish Synodal pathway and five ways faith can free us from anxiety and depression. Finally, we offer the next video on 'the Desert Fathers in a Year'. Check out these and other resources available at www.thehookoffaith.com
