THE HOOK OF FAITH

Trocaire's Lenten campaign this year target's families and communities in Guatemala who are trying to cope with the negative effects of climate change. We find out more. Pope's Francis' prayer intention for the Month of March is for families in crisis as we continue to pray for him and this need. We have a homily for the First Sunday of Lent where Jesus battles with the temptations of pleasure, power and honour and leads the way in our struggle too. We offer the fourth episode in the series 'A Year with the Desert Fathers' and a talk given by Bishop Robert Barron on 'the Rhythm of Divine Mercy'. We remind ourselves of the basics of Lent and include a reflection By Dr Scott Hahn on this season of penance. Finally, news of a significant conference held in London recently with the 'Alliance for Responsible Citizenship'. Check out these and other resources available at www.thehookoffaith.com
