THE HOOK OF FAITH

The Gospel for this Fifteenth Sunday of Ordinary Time contains the parable of the sower. We offer a homily and articles on the seed that is God's Word and the soil in which we sow it today. Following the celebrations in America for the 250th anniversary of independence, David Quinn questions on a fundamental principle of the Declaration and the basis for believing that 'all people are created equal'. In another article, the author explores the theological basis for the Declaration of Independence. The next article in 'The Saints in a Year' series reflects on St Bonaventure as a prophet of God's beauty. Scientists Peter Taylor shares his journey of faith, and a Dominican podcast helps us how to find hope. Finally, news of the 50th anniversary celebrations for Knock Basilica and a Mass in Dublin for the Youth for the visit of Fr. Mike Schmitz. A Family Prayer for the Holidays

Heavenly Father,
please bless our holidays.
Help our family to have patience
and understanding.
Guide us to be mindful of this gift of time together.
Help us to make compromises when necessary
and handle any chaos that comes our way
with Your love and grace.
Open our eyes to truly see the beauty
of the memories we are creating that will last a lifetime.
Amen.
